

Your final publication must meet all of the editorial criteria listed below for it to be accepted for editorial review. The lead author should complete the checklist and submit it along with your draft manuscript to your NIHR Journals Library contact and journals.library@nihr.ac.uk

PGfAR authors should submit their publication and accompanying documentation as directed by their CCF contact.

Each section below details the type of publication that each requirement is relevant to (though if in doubt please contact the editorial office). A link to further guidance in the [Information for Authors](#) is provided with each requirement.
