

Supplementary material S1

Dissemination activities arising from the Valuing Active Life in Dementia (VALID) Research Programme

S1.1 Conference proceedings (chronological order)

Wenborn J. Valuing Active Life in Dementia. Oral presentation at College of Occupational Therapists [COT] 37th Annual Conference, Glasgow. June 2013.

Mountain G. Valuing Active Life in Dementia (VALID). Oral presentation at 3rd Occupational Therapy Summit of Scholars, Philadelphia, USA. March 2014.

Mountain G. Examples of occupational therapy interventions with people with dementia. Oral presentation at Occupational Therapy Advanced Specialty Workshop, Hospital Authority, Hong Kong. April 2014.

Mountain G. Pragmatic trials of complex interventions. Oral presentation at 29th International Conference of Alzheimer's Disease International [ADI], Puerto Rico. May 2014.

Mountain G. Valuing Active Life in Dementia (VALID). Oral presentation at 29th International Conference of Alzheimer's Disease International [ADI], Puerto Rico. May 2014.

Swinson T, Hynes S, Ledgerd R, Wenborn J, Orrell M. Community Occupational Therapy for people with dementia and their family carers: a national survey. Oral presentation at College of Occupational Therapists [COT] 38th Annual Conference, Brighton. June 2014.

Graff M, Wenborn J. Community Occupational Therapy in the UK. Oral presentation at The Japan Institute for Labour Policy and training, Tokyo. June 2014.

Hynes S. Community Occupational Therapy in Dementia: development of COTiD-UK. Oral presentation at 16th International Congress of the World Federation of Occupational Therapists [WFOT], Yokohama, Japan. June 2014.

Graff M. Occupational Therapy for People with Dementia in the Netherlands and Developments in Europe. Invited Keynote address, 'Dementia and Occupational Therapy' Symposium at the 16th International Congress of the World Federation of Occupational Therapists [WFOT], Yokohama, Japan. June, 2014.

Wenborn J. Community Occupational Therapy in the UK. Invited Keynote address, 'Dementia and Occupational Therapy' Symposium at the 16th International Congress of the World Federation of Occupational Therapists [WFOT], Yokohama, Japan. June 2014.

Mountain G, Field B, Di Bona L, Wenborn J. The 'Valuing Active Life in Dementia' (VALID) research study: lessons learnt from the development phase of the research. Oral presentation at British Society of Gerontology [BGS] Conference, Southampton. September 2014.

Wenborn J, Hynes S, Mountain G, Moniz-Cook E, Orrell M. Community Occupational Therapy in Dementia (COTiD-UK): a pilot trial. Poster presentation at Alzheimer's Europe Conference, Glasgow. October 2014.

Wenborn J, Hynes S, Orrell M. Developing the UK version of Community Occupational Therapy in Dementia (COTiD-UK). Poster presentation at Alzheimer's Europe Conference, Glasgow. October 2014.

Wenborn J. Community Occupational Therapy for people with dementia and their family carers. Keynote presentation at College Occupational Therapists [COT] 39th Annual Conference. July 2015.

Wenborn J, Mountain G. Conducting research in practice: lessons learned. Oral presentation at College of Occupational Therapists [COT] 40th Annual Conference, Harrogate. June 2016.

Burgess J, Di Bona L. Delivering complex interventions in OT practice: COTiD-UK experiences. Oral presentation at College of Occupational Therapists [COT] 40th Annual Conference, Harrogate. June 2016.

Stansfeld J. A systematic review of positive psychology outcome measures for family carers of people living with dementia. Oral presentation at Interdem Academy meeting, Alzheimer's Europe conference, Copenhagen. October 2016.

Stansfeld J. Positive psychology outcome measures in family carers of people living with dementia: a systematic review. Poster presentation at Alzheimer's Europe conference, Copenhagen. November 2016.

Field B. Psychosocial interventions for people living with dementia and their supporters after diagnosis in the community: identifying influences on take up. Oral presentation at Alzheimer's Europe conference, Copenhagen. November 2016.

Di Bona L. Occupational Therapists' research engagement: enablers and challenges. Oral presentation at Royal College of Occupational Therapists [RCOT] 41st Annual Conference, Birmingham. June 2017.

Field B. Identifying influences on take up of a community occupational therapy intervention for people with dementia and their family carers. Oral presentation and abstract at Royal College of Occupational Therapists [RCOT] 41st Annual Conference, Birmingham. June 2017.

Burgess J, Swinson T, Wenborn J, Walton H, Michie S. Are we doing it right? Assessing fidelity of delivering a complex intervention: Community Occupational Therapy in Dementia (COTiD-UK). Poster presentation at Royal College of Occupational Therapists [RCOT] 41st Annual Conference, Birmingham. June 2017.

Mundy J. Why people say no: an exploration of why dyads decline participation in psychosocial dementia trials. Poster presentation at 'Involving the public and patients in research - sharing global practice and evidence event at Alzheimer's Society, London. July 2017.

Walton H. Assessing fidelity of delivery of the Community Occupational Therapy in Dementia Intervention. Poster presentation at European Health Psychology Society, Padova, Italy. July 2017.

Stansfeld J. Investigating the impact of positive aspects of caregiving on caregiver sense of competence: A national survey. Oral presentation at Alzheimer's Europe Conference, Berlin, Germany. October 2017.

Stansfeld J. Caregiving Strengths: Sense of competence in family caregivers of people living with dementia: a systematic review. Poster presentation at Alzheimer's Europe Conference, Berlin, Germany. October 2017.

Wenborn J, O'Keeffe A, Omar R, King M, Mountain G, Moniz-Cook E, et al. Multi-site randomised controlled trial of Community Occupational Therapy in Dementia (COTiD-UK) versus usual care: the results. Oral presentation at the 17th International Congress of the World Federation of Occupational Therapists [WFOT]. Cape Town, South Africa. May 2018.

Wenborn J, Burgess J, Swinson T, O'Keeffe A, Mundy J, King M, et al. Multi-site randomised controlled trial of Community Occupational Therapy in Dementia (COTiD-UK) versus usual care: the Valuing Active Life in Dementia (VALID) research results. Oral presentation at the Royal College of Occupational Therapists [RCOT] 42nd Annual Conference, Belfast. June 2018.

Pizzo E, Morris S, Wenborn J, Burgess J, Orrell M. Cost-utility analysis of Community Occupational Therapy in Dementia (COTiD-UK) versus usual care: results from VALID, a multi-site randomised controlled trial in the UK. Oral presentation at the AIES conference, Naples, Italy. September 2018.

Wenborn J. Multi-site randomised controlled trial of Community Occupational Therapy in Dementia (COTiD-UK) versus usual care: the results. Round Table discussion at the Interdem annual meeting, Barcelona, Spain. October 2018.

Wenborn J, O'Keeffe A, Omar R, King M, Mountain G, Moniz-Cook E, et al. Multi-site randomised controlled trial of Community Occupational Therapy in Dementia (COTiD-UK) versus usual care: the results. Poster presentation at the Alzheimer's Europe conference, Barcelona, Spain. October 2018.

Pizzo E, Morris S, Wenborn J, Burgess J, Orrell M. Cost-utility analysis of Community Occupational Therapy in Dementia (COTiD-UK) versus usual care: results from VALID, a multi-site randomised controlled trial in the UK. Poster presentation at the International Society for Pharmacoeconomics and Outcomes Research [ISPOR] conference, Barcelona. November 2018.

S1.2 Local / regional research networks and events (chronological order)

Mountain G. A Programme to Examine an Occupation Based Community Intervention for People with Mild to Moderate Dementia and their family carers. Poster presentation at DeNDRoN Dementia Special Interest Group meeting, York. June 2013.

Field B. Valuing Active Life in Dementia. Oral presentation at Governors Event, Sheffield NHS Hospital Trust. November 2013.

Di Bona L. Valuing Active Life in Dementia. Oral presentation at Dementia Research Forum, Sheffield Institute of Translation Neuroscience. January 2014.

Stansfeld J, Wenborn J, Swinson T. Valuing Active Life in Dementia (VALID): Development of a Community Occupational Therapy intervention for people with dementia and their family carers. Poster presentation at NELFT R&D Open Day, Ilford. March 2014.

Field B. Psychosocial intervention for people living with mild to moderate dementia in the community, after diagnosis: can 'readiness to engage' be identified. Poster presentation at Sheffield University Post-graduate student conference. June 2015.

Stansfeld J. Positive psychology outcome measures in family carers of people living with dementia: a systematic review. Poster presentation at NELFT R&D Conference, Ilford. May 2016.

Field B. Psychosocial interventions for people living with dementia and their supporters after diagnosis in the community: identifying influences on take up. Oral presentation at School of Health and Related Research (SchHARR), University of Sheffield. May 2016.

Pizzo E. Cost-effectiveness of interventions in Ageing Population, examples from dementia and stroke interventions. Oral presentation at Ageing Event, University College London. November 2016.

Pizzo E. Interventions to support people with dementia and their carers - developing the evidence base. Health Economics Oral presentation at Department of Applied Health Research, University College London. November 2016.

Walton H. An intervention to support people with dementia to maintain and improve their quality of life (COTID-UK): Was it delivered as planned? Poster presentation at UCL Faculty of Brain Sciences Annual Post Graduate Research Symposium, London. March 2017.

Mundy J. Why people say no: an exploration of why dyads decline participation in psychosocial dementia trials. Poster presentation at NELFT R&D Open Day. May 2017.

Stansfeld J. A systematic review of positive psychology measures for family caregivers of people living with dementia. Poster presentation at NELFT R&D Open Day. May 2017.

Orrell M, Wenborn J. Valuing Active Life in Dementia: initial results. Oral presentation at NELFT R&D Day. May 2018.

S1.3 Professional practice networks

Wenborn J. Valuing Active Life in Dementia (VALID). Oral presentation at the College of Occupational Therapists launch of Memory Services Occupational Therapist Network, London. November 2012.

Hynes S. Valuing Active Life in Dementia (VALID). Oral presentation at College of Occupational Therapists launch of Memory Services Occupational Therapist Network, Stafford. April 2013.

Wenborn J. Community Occupational Therapy for people with dementia and their family carers. Invited lecture at the Health Education South West seminar series. February 2015.

Wenborn J. Occupational Therapy and people with dementia: today and tomorrow? Invited lecture at the College of Occupational Therapists [COT] London Regional Group Continuing Professional Development meeting. May 2015.

Wenborn J. People with dementia. Occupational Therapy and research. Invited lecture at London South Bank University, Occupational Therapy Society (undergraduate and postgraduate courses) annual conference. February 2016.

Wenborn J. Evaluating the effectiveness of Community Occupational Therapy in Dementia: experiences from the Valuing Active Life in Dementia research programme. Keynote address, College of Occupational Therapists Mental Health occupational therapy research event. March 2016.

Wenborn J. Occupational Therapy and people with dementia. Invited lecture at Brunel University, (occupational therapy undergraduate course). November 2016.

Wenborn J. Interventions to support people with dementia and their carers – developing the evidence base. Oral presentation at the Occupational Therapy show, Birmingham NEC. November 2016.

Wenborn J. VALID Research programme. Oral presentation at NELFT Community of Practice. February 2017.

Wenborn J. Research Development Opportunities. Oral presentation at NELFT Allied Health Professions (AHP) Conference. May 2017.

Wenborn J. Supporting people living with dementia: developing the evidence base. Invited lecture at University of Essex (occupational therapy and physiotherapy undergraduate and postgraduate courses). June 2017.

Wenborn J. Supporting people living with dementia: developing the evidence base. Invited lecture at Brunel University (occupational therapy undergraduate course). September 2017.

S1.4 Lay audience outputs (chronological order)

Moniz-Cook E. It can be a very scary time for people. We help them to live well with Dementia. Hull Daily Mail, article. December 2013

Hull Daily Mail, article. Helping with dementia research is a godsend. October 2014.

Press release. CRN Connect Issue 37. January 2015.

Join Dementia Research. Media interview. 08.01.2015 <http://www.itv.com/news/calendar/2015-02-24/new-research-project-to-help-prevent-dementia-epidemic/>

Wenborn J. Valuing Active Life in Dementia (VALID). NELFT R&D Newsletter. Article. July 2014.

Wenborn J. (editor) VALID newsletter. Issues 1 -8. June 2014 – December 2018
