

The 3D Study Patient Second Follow-up Questionnaire

We are grateful to you for taking the time to complete this questionnaire. We hope that this study will help improve patients' care in the future.

Please answer ALL the questions. Although it may seem that some questions are asked more than once, it is important that you answer every one.

All information will be kept strictly confidential.

If you find it difficult to answer a particular question, please answer to the best of your ability. Most questions require you to tick a box (\square). Please choose the response most appropriate for you.

This questionnaire may take about 30 minutes to complete.

If you have any queries about this questionnaire or how to answer any of the questions, please phone Joanna Ashley (Administrator for the 3D Study) on 0117 3314 587, or email on: 3d-study@bristol.ac.uk

Returning the Questionnaire

Please return your completed questionnaire to the research team using the FREEPOST envelope provided (no stamp is needed).

You can contact us at any time by writing to: The 3D Study, School of Social and Community Medicine, University of Bristol, Canynge Hall, 39 Whatley Road, Bristol, BS8 2PS.
