

The 3D Study:
 Improving whole person care

The 3D Study - Patient Baseline Questionnaire

We hope that this study will help improve patients care in the future, we are very grateful to you for taking the time to complete this questionnaire.

Please answer ALL the questions. Although it may seem that some questions are asked more than once, it is important that you answer every one.

All information will be kept strictly confidential.

If you find it difficult to answer a particular question, please answer to the best of your ability. Most questions require you to tick a box (). Please choose the response most appropriate for you.

This questionnaire may take about 30 minutes to complete.

If you have any queries about this questionnaire or how to answer any of the questions, please phone Sam Febrey (Administrator for the 3D Study) on 01173 314 587, or email on: 3d-study@bristol.ac.uk

Returning the Questionnaire
