

Collagenase versus surgery for Dupuytren's contracture review: Full text screening form											
Assessor initials:		Date:									
Study identifier (Surname of first author + year of publication)											
Type of study Q1. Is the study either:		<table style="width: 100%; border: none;"> <tr> <td style="text-align: center;">Yes</td> <td style="text-align: center;">Unclear</td> <td style="text-align: center;">No</td> </tr> <tr> <td style="text-align: center;"></td> <td style="text-align: center;"></td> <td style="text-align: center;"></td> </tr> <tr> <td colspan="2" style="text-align: center;">Go to next section</td> <td style="text-align: center;">Exclude</td> </tr> </table>	Yes	Unclear	No				Go to next section		Exclude
Yes	Unclear	No									
											
Go to next section		Exclude									
<input type="checkbox"/> An RCT in which people are randomized to receive either collagenase clostridium histolyticum or surgery? <input type="checkbox"/> An RCT in which people are randomized to receive either collagenase clostridium histolyticum or placebo? <input type="checkbox"/> An RCT in which people are randomized to receive one or another type of surgery? <input type="checkbox"/> An RCT in which people are randomized to receive either surgery or a sham procedure? <input type="checkbox"/> A non-randomised comparative version of any of the above? <input type="checkbox"/> A case series/single-arm cohort study (n≥10) involving collagenase clostridium histolyticum or surgery?											
Participants in the study Q2. Are the participants:		<table style="width: 100%; border: none;"> <tr> <td style="text-align: center;">Yes</td> <td style="text-align: center;">Unclear</td> <td style="text-align: center;">No</td> </tr> <tr> <td style="text-align: center;"></td> <td style="text-align: center;"></td> <td style="text-align: center;"></td> </tr> <tr> <td colspan="2" style="text-align: center;">Go to next section</td> <td style="text-align: center;">Exclude</td> </tr> </table>	Yes	Unclear	No				Go to next section		Exclude
Yes	Unclear	No
