Dear <<Title>> <<Surname>>

The PROSPECT STUDY: PROlapse Surgery: Pragmatic Evaluation and randomised Controlled Trials

Thank you very much for taking part in the Prospect Study.

We enclose a questionnaire asking about how much it cost **you** to use the health service. We wish to know how much money and time were spent by you and any companion when you attended appointments and as a result of any hospital admission you may have had.

Although some of the questions may not seem relevant we would like you to complete the questionnaire as fully as you can. However, you are not obliged to answer every question if you do not want to. If you have any worries or problems in completing the questionnaire, a friend or relative may be able to help you. If still in doubt, do please contact the Prospect Study Office on [REDACTED].

Please return the questionnaire in the reply-paid envelope provided (no stamp is required).

We would like to thank you very much for taking part in the PROSPECT Study and for completing the questionnaire.

With our very best wishes and thanks for your kind help,

Yours sincerely

Trial Manager
