

**Are you 18 years of age or older, currently experiencing
depression and have worries about debt?**

Would you be interested in taking part in a research study?

If you are we would like to hear from you

Who are we?

We are a team of clinicians, academics and researchers
from the Universities of Liverpool, Swansea and Plymouth

Why are we doing this study?

The reason for this study is to find out whether debt advice
for people experiencing debt & depression accessed through
their general practice, makes a difference to their recovery.

What does taking part involve?

**1. Having several meetings with a researcher from the University
of Liverpool at a place of your choosing**

**2. Having appointments with a GP at your GP
practice**

**3. Receiving one of two types of debt
advice**
