

## CONSENT FORM 'Pre-schoolers in the Playground (PiP)'

Please initial box

1. I confirm that I have read and understood the PiP Head teachers' Participant Information Sheet dated 28<sup>th</sup> February 2013 for the above study. I have had the opportunity to consider the information, ask questions and have had these answered to my satisfaction.
2. I understand that my participation is voluntary and that I am free to withdraw at any time, without giving any reason.
3. I understand that the research I am agreeing to take part in has been given ethical approval to be carried out by researchers working for the PiP study from Bradford Teaching Hospitals NHS Foundation Trust (Born in Bradford Project) and The University of York.
4. I understand that my details will be provided to researchers working on the PiP study and will be stored securely. I understand that my personal details will be removed from transcripts of any interviews I take part in.
- 3 I understand that researchers working on ethically approved linked studies both inside and outside Europe, after approval by the Executive Group and ethics committee, may also have access to information, some of these countries do not have the same data protection laws as in the UK, however I understand the information cannot be linked to me.
- 4 I agree to be interviewed. I give permission for the interview to be audio recorded and for the recording to be typed up. I agree that direct quotes from me may be used for publications.
- 7 I agree that project researchers can approach me in the future for the purposes of the PiP study.
8. I agree that project researchers can approach me in the future with regard to different research studies
- 9 I agree that I will take part in the PiP study interview.
